perfect trip

Great service, great hospitality!! Recommend to do 1 night 2 days trip. Get to know staff from boat and guests from all over the world were very fun!! No rush at all to do all schedule and even enjoyed tai chi in the morning at top deck before breakfast. Massage was great, you?d better tell them early to them to organise it. Thank you very much for a great trip!!

Good choice

Having been concerned about which cruise to choose, as there are a lot of tourists who were disappointed with their tour I finally decided to book this one. In the end I was very glad because it fully met my expectations. From the outside the boat was in similar condition to other boats cruising around. The cabins were neat and clean. The program was nice, I loved the kayaking and morning Tai Chi. Everybody woke up before 6 to watch the sunrise (totally worth it). They won?t let you sleep long but let?s be honest- this trip should not be about sleeping, too beautiful views. I skipped a cooking class to admire the views from the sun deck- otherwise there is not so much alone time to just sit and watch. Our tour guide Hung was amazing, rest of the staff did their very best to make the stay soocial experience. From me a big YES. Money well spent and good value for money. And a no for the Ti To (or

something like that) island, as it was overcrowded despite low season. I would have stayed on the boat instead.

Magical!

Don't be deterred by the boat exterior. It has seen better days but the interior is a complete contrast. Clean comfortable cabins with ensuite; spacious dining room with bar and covered large upper level deck. The meals were simple multi course and prepared on board. The cruise was wonderful and relaxing. Tender boat takes you ashore to different islands for activities such as swimming; kayaking; and cave tour. You can even try squid jigging of the bow at night. It's a very popular destination so don't expect to be moored alone. Loved it!

Better than expected

Wow! For starters HaLong Bay was just truly beautiful. We went on this cruise as part of a 10 day package - South to North. I wasn't expecting a lot but we were really surprised. The rooms were comfortable with the most amazing views! Our tour guide Nancy on the ship was awesome and very friendly. We had so much fun. Kayaking, cave exploring, cooking demonstration, tai chi classes, squid fishing, karaoke and more. The only thing I would say is be careful when swimming. I got stung by a jellyfish as did a few others and OMG it hurt so much. They only give you lime juice to rub on it which does nothing. Also I really think the government should make more effort to keep the bay free of rubbish as some spots were unpleasant because of this. Overall however the cruise was great and could be recommended highly. Food was plentiful and drinks reasonably priced.

**Nice Cruise and Guide**

The staff were friendly and provided proper insight about Ha Long bay. Our guide, Hung, was friendly and kept an interaction with the entire team. The activities were planned well and provided proper guidance on the place. The food was really well prepared, lots of sea food varieties which is very satisfying! Over all a good experience with this cruise.
